

# "I Will" G C G D

**G** **C** **G** **D**  
When the road becomes too long And you start to feel alone

**G** **C** **G** **D** **G C G D**  
You wonder why you've gone And there ain't no way to go home

**G C G D G C G D G C G D**

Then suddenly a ray, A glimmer from inside  
You remember why you came, You remember all your pride

**G C G D**

It's a smile from a stranger It's a present from a child

**G** **C** **G** **D** **D**  
It's a letter from an old friend Or a moment in the wild

**G** **D**  
I will stand up, and I will be strong, and  
**Em** **Cm/Eb** **G**  
I will give my life To know I'm loved  
**Dm** **C**  
I'll give my soul, and I'll give my song, and  
**Cm** **Cm**  
I'll give everything To share this love

**G** **C** **G** **D**  
Humbled on the ground, What else can be done?  
**G** **C** **G** **D** **D**  
Remember you are found, And pass the feeling on

**G** **D**  
I will stand up, and I will be strong, and  
**Em** **Cm/Eb** **G**  
I will give my life To know I'm loved  
**Dm** **C**  
I'll give my soul, and I'll give my song, and  
**Cm** **Cm**  
I'll give everything To share this love  
**D** **Em**  
I'll trust the path, and I'll trust my friends, and  
**Cm/Eb** **Cm/Eb** **G**  
I will trust in the one thing That never will end  
**Dm** **C**  
I'll fill my heart, and I'll light your way, and  
**Cm** **Cm**  
All our voices will shine With the words that we say

**G - D Em - C x3**

Confess, confess your darknesses

Let them wash away

Carried by the wind and rain

**G - D Em - C C**

Now we're free to say

I will stand up, and I will be strong, and  
Em Cm/Eb G  
I will give my life To know I'm loved  
Dm C  
I'll give my soul, and I'll give my song, and  
Cm Cm  
I'll give everything To share this love  
D Em  
I'll trust the path, and I'll trust my friends, and  
Cm/Eb Cm/Eb G  
I will trust in the one thing That never will end  
Dm C  
I'll fill my heart, and I'll light your way, and  
Cm Cm  
All our voices will shine With the words that we say

# "None of Us is Alone"

**Bm D A Bm**

None of us is alone, none of us is alone, none of us is alone

**Bm (6 beats) D (6 beats ... last x 8 beats)**

Whoa \_\_\_\_ **x4**

**Bm D A Bm**

I'll give you four beats to recall the song

Of every good friend who has come along

And every good lover who has done you wrong, I know

I'll give you four days to return to bliss

I bet you never thought it would come to this

Your mama never told you you would have to miss them all ---> **A \_ Bm** Whoa, you would .....

Winter feels longer every single year

The song of those birds that you long to hear

Is never gonna come 'til you shed some tears, leave some

Every cycle, every breath

Every life is bound for death

Every challenge is not a test, find freedom ---> **A \_ Bm** whoa, freedom

**[CHORUS]**

**Bm D A Bm**

Not a single one of us is going through

A separate kind of a life, that would never do

Every single soul is connected to the rest

Reach your hands out to the side

Feel your heart beating, remember you're alive

All of us breathing under one big sky, so blessed ---> **A \_ Bm** Whoa, so blessed

When you're down or feeling free

We're here for you, you're here for We

Let it all go, bow and receive assistance

I want everyone to be here and I wonder why

It's a big old planet but it's not too wide

Bodies far apart, but souls aren't strung by distance ---> **A \_ Bm** Whoa, souls aren't .....

**[CHORUS]**

**Spoken Word**

**Bm D A Bm**

None of us is alone, none of us is alone, none of us is alone

**x4**

# "Find Your Voice on Earth"

**D Dadd9 Dsus Dadd9**

**D** \_ \_ \_  
You snuck in while I was all alone Singing for myself

**G/D** \_ \_ **D** \_ \_  
And my friends were there, the old ones and the new

**D** \_ \_ \_  
And though I'd never seen your face Something in the air had changed

**G/D** \_ \_ **D** \_ \_  
And every word I sang could come true

**Aadd9 Gadd9 D Aadd9 Gadd9 D**  
Amazing grace is you Amazing grace is you

**D Dadd9 Dsus Dadd9**

**D** \_ \_ \_ **G/D** \_ **D** \_ **D** \_ \_ \_ **G/D** \_ **D** \_  
Introduced with one embrace, Still I had not seen your face  
But I knew I was home, And you were too  
Five of us sang into the night, And nothing ever felt so right  
Then you sang the songs only you knew

**Aadd9 Gadd9 D Aadd9 Gadd9 D**  
And when you sing, it's so true, The way you sing is so true

**D Dadd9 Dsus Dadd9**  
**D Dmaj7 D6 Dmaj7 --->**

**G** \_ \_ \_ **D** \_ \_ \_  
You hear songs from deep inside the earth  
And when you sing them, I know she is heard  
Heavenly angel, find your voice on earth  
Holding spirit, giving sound to word

# "Surrender"

This banjo is a machine that  
Surrounds hate  
And forces it to  
Surrender

It does so with all of its tones, from  
Calm and Forceful to  
Wild and Tender

Now is the time  
My Brothers  
My Sisters  
My Family  
Now is the time to  
Step into those shoes, and  
For everything that's good  
Become a defender

Deliveries of  
Hatred, greed  
Anger, and violence  
Will no longer be received  
They will instead be  
Transformed, discarded, and marked  
"Return to Sender"

This here banjo  
Just like Pete Seeger's was  
And is always going to be  
This banjo is a machine  
Carefully and lovingly designed to  
Surround hate, and  
Allow it to  
Surrender
